Dear Mr. Zickler:

This will confirm the message I left with your office, wherein I advised you that I represent Wilbur C. Henderson. Mr. Henderson has forwarded to me your letter of August 1, 1983 and also John D. Cooper's letter of August 30, 1983.

Mr. Henderson and I, without prejudice, would like to meet with you to discuss the contents of both letters. This letter and any conferences are totally without prejudice and shall not be construed as the assumption of any responsibility by my client Wilbur C. Henderson.

I would appreciate your calling me and letting me know when it would be convenient to meet. Mr. Henderson has offered his offices as a place of the meeting, if this be your pleasure.

Prior to the meeting I would appreciate your supplying me with the following information:

1. Identification of the amount and type of hazardous waste.
2. The names and addresses of parties notified as "responsible parties" under CERCLA.
3. The cause of the alleged release of the hazardous substance or substances and the names of all parties involved in
